HISTORIC ARNOLDS PARK, INC. (HAPI): Jeff Vierkant was present to discuss the closure of Lake Street. The City has received a complaint from a business on Lake Street that they were not getting customers during the morning hours due to the closure of the street. It was a Council decision eight years ago to allow for deliveries to businesses along Lake Street before the amusement park opened each morning; and after park opening only drop offs and pick-ups would be allowed on the street. Vierkant stated that currently traffic cones go up mid-day Friday and stay up through Sunday blocking off traffic to Lake Street.

Consensus of the Council is that Lake Street is to remain open until the amusement park opens each day and after that only handicap drop off and pick-up will be allowed. HAPI will come up with some signage similar to "Handicap Accessible – Drop Off/Pick-Up Only" for the front gate area and the City will cost share half of the signs. The City will place No Parking signs on Lake Street and around the cul-de-sac area at the end of Lake Street. The police department will issue warnings for No Parking along Lake Street for a few weeks before issuing citations. Traffic cones are not to be put in place to block or deter traffic from going down Lake Street.
