PICKLEBALL, SIDEWALK, & PARKING IMPROVEMENTS SAWMILL PARK

SIDEWALK: Council discussed relocating the sidewalk near the Pickleball courts at Sawmill Park. It was the consensus of the Council that changing the sidewalk would not fix the drop off and asked that the Streets Supervisor get a quote for fencing to go along the sidewalk.

LAKE STREET: Mayor and Council reviewed the schematic plans submitted by Imagine Iowa Great Lakes for the Lake Street. Jeff Rose of Jacobson Westergard and Associates, Inc. addressed concerns regarding the curb and drainage. There was discussion about the bollards and if they will be retractable. Consensus of the Council is that they like the design as long as the Imagine Group and Beck Engineering work closely with Rose and any changes to the plan have Council approval.

Mayor Hussong declared the meeting adjourned at 2:11 p.m.
